Good Afternoon Darryl,

As you see there is a request below for information regarding the council on aging. I am happy to help answer the request, but it sounds like they may have already spoken to someone in the Office on Aging. Can you please help direct me towards whoever they spoke to so that I can work with them to provide the information. Thank you.

Hello Lily,

Representative Rick Martin is on a radio talk show on Monday, May 15. He is supposed to talk about what has taken place this year for the council on aging in the legislature. He talked to someone in your office 2 weeks ago. Whoever he talked to said he would send the information and talking points right away. He has not heard from anyone yet. Can you find out something for me? I called your office and got the answering machine again. He needs as much information as possible.

Thank you ,

Joye
