Dear Boys and Girls,

Thank you for your letters to me. I am so glad that you are learning how to write in cursive and your multiplication tables, which are very important skills. I love hearing from each of you, and I am happy to answer your questions. I have two children, Rena (16) and Nalin (13). My husband, Michael, and I live with our kids in the Governor's Mansion. We have a dog, two frogs, and a goldfish. I absolutely love being the Governor of South Carolina because it is a great state! Every day there are new challenges and decisions I have to make. One of my top priorities is bringing more jobs to our state.

Keep up the good work. I am so proud of you all! God bless.

My very best,

Nikki R. Haley
