Just looked. That proviso sets the amount. Is that what you are looking for or are you looking for an enabling statute or reg for th fee?

Sorry to hear that. Don't worry about it. I'll look at the Proviso and if that does not work, we can talk about it next week. I have some time. I hope your little one gets to feeling better.

Proviso 38.3, I think. I'm home with a sick child. I can look further in about an hour if you need me to.

Subject: DSS Question

I mentioned yesterday that I have been asked to draft a bill that adjusts the amount provided for funeral expenses for foster children. We would like to increase that amount.

My problem is that I cannot find where that amount is set - statute or regulation. The closest thing that I can find is Reg. 114-1140(C)(3) which relates to financial criteria under the Family Independence Program. I don't think this is what I am looking for (but I'm not sure) and perhaps this is what the member was referring to.

Can you have someone from DSS contact me with some direction?

Thanks.
