THE HONORABLE NIKKI HALEY:

Governor Haley thank you for your conservative leadership and showing what can be accomplished when you stand for your principles and work hard. I look forward to see what the future holds for you, as a Cabinet member or Vice President in the next administration and one day as President of the United States. I had the pleasure to meet you and hoped you would sign the picture "To Josh". Thank you in advance for your time. You are in my prayers.
