Has this week been SLOW or what? Happy Thursday, y'all.

Gina Atkins Epley We have box turtles that show up in our yard all the time! I love taking pictures of them!

Harley Verner ahhh an Eastern Box turtle...used to catch these as a kid...ahhh, the absurd things that entertain the simple minded...I will rejoice in the diversity of Your creation and the creatures contained therein, O Lord!!!

Patty Reed I always break for turtles.....and get out of my car and get them across the street so they don't get squished!

Amanda Smith Yes, it has been slow! We're excited to make a return trip this weekend to Oconee State Park. Our last visit was in May but our youngest had an injury and couldn't go swimming. This is her "makeup" trip.

Sarah Wakefield McIntyre Yes, it has been slow. We were at Croft State Park in June, and saw one that could absolutely TRUCK. He was chasing the ranger around. That was NOT a slow turtle for sure.

Mandy Powell Jeffcoat I'm on vacation here at Sadlers Creek State Park so I want it to continue to go by slow. Heck I'd prefer it to go by a lot slower because I don't want to go back to reality!
