Importance: High

Hi Katherine,

I hope you are well. My firm, Nexsen Pruet and its subsidiary, NP Strategies, represent Google SC. We are currently assisting them in organizing a large conference, GoogleFest, in Charleston later in June. The event will bring together hundreds of teachers, small business owners, non-profit employees, veterans, and emergency preparedness officials from across the State to learn more about using technology to advance their efforts. They are really interested in getting Governor Haley as the keynote speaker. Please see attached letter and supplemental materials. I offered to take the lead on this since I knew you all. Any help would be great. Please let me know if you need anything else. I can be the contact for this invite.

Tommy
