Hi Marcia,

I've been having problems with my computer—I am going to try and come in tomorrow so Monica can take a look at it.

I picked up some more correspondence when I was in the office on Friday and will continue to work on that if you don't have anything else for me. I didn't have any major complaints in the packet of work I brought home, so things seem to be going alright.

Hope you have a good day and I will probably see you tomorrow.

Amy
