Subject: DRAFT Statement

---

Good morning Chaney –

Below is the draft statement, approved by Secretary Hitt, that we recommend providing to Maya at the Post & Courier, in response to her question yesterday. Her deadline is noon tomorrow (07/07).

Over the last five and a half years, Team South Carolina has been committed to building credibility – both nationally and internationally – and cultivating a positive business environment within our borders. As a result, companies from all corners of the globe, representing a variety of industries and cultural backgrounds, have made the decision to invest in our state. In economic development, businesses locate where they know they can be profitable and have success. Moving forward, our team’s efforts will continue, ensuring that we’re providing our companies with the resources needed to do just that,” said Secretary of Commerce Bobby Hitt. [DRAFT]

Thanks –  
Alex
