

Ms. Haley,
or the Office thereof,

5-9-16

My name is Annie Wilson #130957 and I'm incarcerated at Goodman Corr. Inst. in Columbia, S.C. I have a 5 YR. non-violent viol. of prob. sentence with a pending non-violent detainer.

The reason I am writing your office is for some information pertaining to a rumor I keep hearing, about a bill that was just passed, and ~~is~~ will be signed by you on June 1, 2016. It's about inmates time reductions from 85% to 65% violent offenses and 65% to 41% non-violent offenses. Can you please bring some clarity to this rumor?

Can you address the issue if there is in fact going to be sentence reductions, and if so, what is the criteria for the reductions. Will ~~this~~ this new bill affect all S.C. prisoners or just some of us? Is the percentage rate for all S.C. inmates changing or just some inmates, or not at all? Thanks for addressing this issue for me. I am sending a SASE for your response in this matter.

Sincerely,
