Subject: excel sheet for TY Notecards

Holly,

I pulled a list of donors specifically for your notecards dating back to the One SC Flood fund announcement. Where possible, I provided notes for the Governor's reference. I know that spreadsheet that is generated from the financial system is a bit overwhelming so I took the time to create this one for ease of merging. These are donors that either gave at the \$1000 level and above OR had a tie to the grants committee/Governor.

I left the notecards at your desk on the 8<sup>th</sup>. Also, did you receive my email regarding the state employee giving campaign?
