Subject: Home Care Rule Webinar- Registration Closes Tonight

Hi Everyone,

Just a reminder that our next Home Care Rule webinar, *Tax Reporting and Medicaid Claiming/FMAP*, is scheduled for **tomorrow, Wednesday October 28th from 3:00-4:30 PM (EST)**.

Please note: The subject matter of this webinar is complex and requires some prior experience with taxes and/or billing in Medicaid-funded participant-directed programs. We encourage your organization's billing and tax specialists to consider attending.

Single user registration is \$25 and group registration (with unlimited participants from a single organization) is \$200. NRCPPDS FMS and Program Members can attend these webinars free of charge.

Registration for the webinar will close tonight. To register: click [here](#) and select "Webinar". After you submit your payment, we will send you a confirmation email with the log-in information. If you are a NRCPPDS member, please email membership@participantdirection.org to register rather than using the link above.

If you've missed any of our previous Home Care Rule webinars, you can purchase the recordings and slides [here](#) and select "Recordings and Slides". (If you registered for these webinars, or are a NRCPPDS Member, email info@participantdirection.org to access these materials at no cost.)

Please don't hesitate to email us if you have any questions. We're looking forward to talking with you tomorrow.

Sincerely,

Your team at the National Resource Center for Participant-Directed Services (NRCPPDS).
