---

Ted mentioned trying to get together some time today, so let me know if you still want to get together.

Subject: Slide Deck

Wendy,

The slide deck that contains the neighborhood map, with the road segments being colored based upon ownership / maintenance responsibility...would you mind emailing that to me? I'm giving a briefing on the budget next Tuesday, and am thinking about grabbing that image and maybe a talking point or two for the overall presentation. Thanks.

CLS
