It's all about YOU!

Yesterday, if you wanted to treat expression lines, your option essentially consisted of painful injectable fillers. Today, there is REDE-FINE ACUTE CARE Skincare for Expression Lines.

ACUTE CARE patches fill wrinkles with liquid cones that melt into your expression lines while you sleep for visibly diminished wrinkles and smoother-looking skin that lasts.

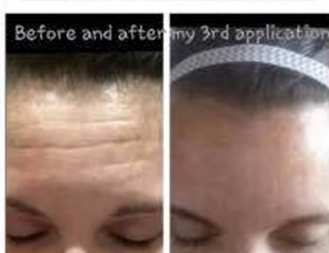

YOU get Acute Care FIRST on Oct. 22nd!

Q: How can you get Acute Care before everyone else?

A: As a Preferred Customer, YOU are able to get the hottest new item on the market for whole sale price, while supplies last!
