All state parks, except Edisto Beach State Park, will open for day use tomorrow, May 1.

Thank you! Plan on taking a road trip. Are we still able to purchase passes?

You will probably not be able to purchase a passport at the park, this weekend, as offices will remain closed. You may purchase online at www.SCParkStore.com but know it will take a few days to ship to you.

So I have a pass that was through the end of April, since the parks being closed are we still able to use it?

It should be honored at the gate. You can purchase a new one online at www.SCParkStore.com and it will be punched for June 2021, giving you an extra month, but know these will take a few days to ship to you.
