I passed off this project to Holly and now you so I don't need to attend Xerox meetings. But I'm here for any institutional knowledge you need on this project. I know the older history and Holly knows recent history.

I would like to be briefed after the meeting and later when issues come up.

Swati,

I just spoke with Holly who is following up on this and setting a meeting to brief the Governor in advance. Do you attend these meetings too? And if not, do you like to be briefed afterwards?

Nicole, The Governor would like Xerox representatives to be in the August monthly update meeting with DSS.

Jimmy, Can you help Nicole determine the right Xerox representatives to be in

the meeting and invite them to August's meeting.
