Meet our new SNAP grantees!

With generous support from the Walmart Foundation, NCOA has granted \$1.15 million to 30 community organizations to help them enroll eligible older adults into the Supplemental Nutrition Assistance Program (SNAP). Last year, our SNAP grantees helped over 31,000 seniors apply for food assistance. Since 2009, our BenefitsCheckUp® tool has helped more than 1 million people identify over \$1.1 billion in SNAP benefits.

Highlights from our Center for Healthy Aging meeting

NCOA's Center for Healthy Aging Resource Centers recently hosted a national meeting to support states and community-based organizations with implementing, embedding, and sustaining chronic disease self-management (CDSME) and falls prevention programs. National experts presented current research, best practices, business planning, sustainability, partnerships, rural and tribal outreach, and more.
