We had been trying for the 26th, 27th or 28th of next week, as those dates worked for Joel Smith...and you. However, we may need to look at other dates now, given that those dates are so soon. I think the first week of September could be possibility...as well as the first week in October. (Joel will be out of the country most of September.)

Tony,
Were you able to mention to Marie Waller our interest in meeting with the Lt. Governor regarding the LTC Taskforce?
I still haven't heard back from their office.
