Dear _____,

I received your postcard and am happy to support you and the special project you are working toward!

I was also excited to learn that since I ordered at least 3 magazines, a chick will be sent on behalf of you and your group to a family in an impoverished country.

Please know that I am very proud of who you are, and I am happy to help!

Love, _____

Dear Madam Governor,

Our school can receive FREE subscriptions to a really fun and interesting magazine that my teacher will use with us in class to help us learn more about the world. It's called TIME For Kids. You help me reach my goal simply by buying or renewing a magazine subscription for yourself.

Please look at the enclosed list (with savings up to 80%!) and pick your favorite. You can even order a magazine as a gift. Thanks for helping... I can't wait to start reading TIME For Kids!
