From the Director

This has already been an amazing year for our network. Two of our clients were honored with SBA awards in our state. Our Rock Hill Area SBDC also won a prestigious SBA Innovation and Excellence award for both the state and the entire southeast region. Read about these accolades below.

Our ongoing efforts to expand and improve the services we offer to established companies are helping these businesses recover from the recession, grow and prosper. Assistance with government contracting, exporting, marketing and strategic growth strategies continue to grow in response to demand. We are seeing an increase in new venture start-ups as well.

We recently had our annual internal training meeting, which was sponsored by TD Bank, Celtic Bank and Constant Contact. Partners like these support our service to small businesses and we thank them for their continued interest in our mission.

"The SC SBDC is one of the greatest resources that this state offers small businesses. I am extremely grateful for the hard work and dedication of the SC SBDC and how they provided the guidance to turn our dream into a reality."
