Just in time for the weekend, and thanks to hard work, we have three more parks OPEN and welcoming visitors! Poinsett State Park, Colleton State Park and Charles Towne Landing State Historic Site are open today! So glad to have these parks back online. Plan a visit to a state park this weekend! **Jan Caskey** Can you post pictures of Edisto beach park? I think there are many people who would like to see how it looks now. Thank you for your hard work.

**Germaine Gilbert** Likewise for Hunting Island State Park. I'm sure there was great damage to that beloved park

**Doris Motts Lee** Maybe national guard could get lodging in some of the state parks, since they don't have lodging to rest!

**Diane Thomas** So disappointed that you have chosen to close Santee for a second FULL week. Annual family reunion is lost and we are heartbroken.
