Good afternoon Katherine,

I wanted to follow up with you about the possibility of seeing Governor Haley on March 6th. I believe that last year we had just missed her meeting with self advocates in the lobby. Do you know if she will be in her office that day and might do the same again? If so, we will try our best to be in the lobby to greet her. Any information you have would be appreciated. Carmen has already asked if I contacted you.

Thank you so much for your time.

Sincerely,

Good afternoon Katherine,

We have met at the last two years at the Self Advocacy days for Disability Awareness. Carmen Hightower has asked to see Governor Haley and you have been so nice to come up and talk with Carmen and our other self advocates. You told me last year to email you and you would do your best to either have Governor Haley meet our Greenville delegation or have a tour. Carmen is very excited to return to the state house and I am on top of it to make sure that I contact you to stay in Carmen's good graces. ☺ We do have a special group here in Greenville. We are looking forward to potentially meeting Governor Haley to offer our thanks and appreciation for helping Greenville and DDSN with funding and job opportunities.

Thank you for your time.

Sincerely,
