Hi, I presume that our hearing is postponed, but in case it's on, I need to let you know that LG is stuck in the Upstate and won't be there today.

Subject: Updated Legislative, Executive, and Local Government Subcommittee Hearing Schedule

All,

Please find attached an updated hearing schedule for the Legislative, Executive, and Local Government subcommittee. There were scheduling conflicts for some agencies which we have tried to resolve with this updated schedule. If your agency was impacted, I have let you know but most everyone has the same date from the previous schedule sent out. I wanted you all to have the most accurate schedule, though.

Also, in case you have not heard, the vacancy on our subcommittee has been officially filled and we now have our subcommittee membership set. As I stated in the previous e-mail, Rep. Herbkersman and Rep. Clemmons will serve again and Rep. Todd Rutherford will now be joining our subcommittee.

Lastly, I have scheduled meetings with some of you but have not heard back from others. If your agency has a budget request especially, I would like to either sit down or at least speak over the phone briefly regarding your requests and the upcoming hearing process. Please call or e-mail me to schedule this meeting as soon as possible.

Thank you and I hope everyone has a wonderful holiday season!
