Thank you for taking the time to manage the network's request of our office. We appreciate your continued work on this front. Not sure what we may be able to work out over the next two days, given the governor's travel schedule, but Chaney and I are available to chat by phone, email or text group anytime.

Stay in touch.

Hey Guys -

I know you know we want to talk to the Governor Haley - I have requests from every show. Just to give you an idea of what our SC coverage looks like and who's in town: There are a shows anchoring from Columbia - Carol Costello, Erin Burnett is in town for a bit, Anderson Cooper is in town and Fredericka Whitfield is in town over the weekend as well. I know Polson has been in touch about Jake. I'm happy to coordinate that as well if you're looking to a Sunday show rotation.

I am sure we're not the only network asking, so I'll try to not bug you guys too much. I also know you guys are always good to us. Please let me know when you have an idea of if/what/when you might like to do an interview. I'll work out the logistics. I'm in Charleston tonight, but will be back in Columbia tomorrow through Wednesday AM.

Thanks for your time, as always!
