Ok. They would arrive the same date, so I was just trying to avoid charging you the \$500 in shipping, if we can ship them ground and they arrive the same time. It's your choice either way.

I'll update the quantities.

We're proceeding with ground shipping, which is included. We may have to overnight it - I included that in the email with the pricing, so let me go back to the other email and get that number.
