I have spoken w Davis about roads and restructuring (most recent discussion was at the caucus retreat) - he's definitely with us on the restructuring (cabinet position) and we discussed eliminating the SIB (not expanding it).

SP and I met with him prior to his meeting with Leatherman as well and discussed roads. We suggested he call Christy for more details about the long and short term recovery dollars roads.

KV and I met with him several weeks ago and we talked about roads and he agrees with us on restructuring DOT. I'm not aware of direct conversations between Davis and the Gov or Christy; but Davis and our office have common goals for DOT restructuring.

Hey Chaney,

I spoke with Sen. Tom Davis the other day for my road funding story. He mentioned that he's working/talking with Gov. Haley and Christy Hall on changing the structure of DOT and the SIB.

I wanted to make sure that was the case on your end. I don't need a quote, unless you want to give one, just wanted to check it out with yall.

Thanks,

Gavin
