Rachel,

Unfortunately, Catherine will be out of the country on Feb. 6. I will attend on her behalf along with our Maternal and Child Health bureau director, Beth DeSantis.

Thank you,
Jamie

Hey Catherine,

I hope you are doing well. As you know, I have been working with your staff on pulling together descriptions on DHEC's involvement in teen pregnancy prevention, domestic violence prevention and fatherhood encouragement initiatives. We are having a meeting with Representative Samuel Rivers and his community colleagues on **Thursday, February 6 at 2:00 pm in the Governor's office** to discuss how we can coordinate our efforts around these three important areas and make the public aware of the resources already available through our agencies' initiatives. Governor Haley will be attending part of the meeting.

Please let me know if you are able to attend, and if not, who from your senior staff will be attending on your behalf.

Let me know if you have any questions.

Thanks,
Rachel
