First of all, great location choice, especially if you get hungry.

Unfortunately, the governor does not have any availability to join you all

Please feel free to stay in touch if we can ever be a resource.

Hi Chaney — hope you're well.

I enjoyed the chance to write about [Gov. Haley](#) last year, and was wondering if she might have any interest in joining us Election night?

We're going to be live from Busboys & Poets in D.C., but can also organize for her to call-in over Skype or phone. See below.

Best,
Nick

I'm writing on behalf of [OZY](#), the digital magazine with an predominantly millennial/GenX audience of 20 million people.

OZY is partnering with Wired to present a LIVE broadcast on election night in DC at Busboys and Poets from 6pm-12am EST. [OZY.com](#) Editor in Chief Carlos Watson (formerly of CNN + MSNBC) will serve as host, with a roster of high profile guests joining him throughout the evening including Mitt Romney, Howard Dean, Jesse Jackson, Susan Estrich, Michael Dukakis, Karl Rove, Cory Booker, and many more.

I am reaching out to see if you would be interested in joining them live or calling into the show for a few minutes to share insights? Timing and topics are very flexible at this point, and we'd be happy to work with you to make it a segment that is meaningful to you.

Thank you for your consideration.
