## 2016 Governor's Conference on Aging & Disabilities

**May 23-26th 2016**

**Registration Now Open!**

**Join us at the Iowa Governor's Conference on Aging & Disabilities on May 23-26th!**

The conference will **shine** a regional and national spotlight on the actions that the aging and disability community is taking to meet current challenges and embrace new opportunities.

Have you explored the variety of presentations through the [agenda](#) yet? **This is a national quality conference for the price of a regional conference.** Connect with nationwide professionals, policymakers, and subject-matter experts about to learn about the creative work within the aging and disability networks from throughout the region.

The **conference will kick off** with a discussion on how states have made the adjustment to Medicaid managed long term services and supports (MLTSS), as Iowa embarks on this operating system shift.

The full agenda includes new technologies to improve your systems, ideas for improving self-advocacy, falls prevention and other innovative safety programs, discussion on workforce needs, and more.

There will be an exhibit space with national and regional groups looking to share their cutting-edge programming in long-term services and supports.

Register today to reserve your spot. **Brighten up** your programs with new best practices, unique partnerships, and recognize the innovative work of your peers.

Registration is now open! [Click here](#) to learn more and register today!
