Kraft Campaign Kick-Off - a fantastic evening!

What a turnout! An outstanding crowd came out, close to 100 people, in support of Vicki Kraft and her candidacy for State Representative, 17th Legislative District, Position 1. Many more sent regrets and/or donations wishing her the best. She's truly thankful for each one that was able to join and for those who couldn't be there as well.

The evening formally kicked off with current State Representatives, 17th LD, Rep. Lynda Wilson and Rep. Paul Harris along with State Representative 18th LD, Rep. Liz Pike sharing their perspective on Vicki's experience and why she's well-qualified for this position.

Vicki thanked her family and friends for their support. She shared her heart, to serve them along with the citizens of the 17th LD and WA.

She talked about her experience and how it gives her a unique advantage for this position - especially her private sector experience working directly with the State of WA government agencies in Olympia and the K-12 School Districts across our state.

Vicki's priorities include:

- Improving accountability and fiscal responsibility in Olympia.
- Increasing business opportunities and attracting jobs for a stronger local economy.
- Prioritizing student education, achievement and local control.
- Reducing the impact of taxes and regulations on our families and small businesses.
- Implementing a bridge solution to reduce the local I-5 traffic congestion and improve freight mobility.
- Promoting public safety through proper planning and resources to protect citizens and equip first responders.

Vicki concluded by asking the audience for their vote and support in the Primary Election on August 2nd. It was indeed a special evening!

Kraft Campaign - out and meeting 17th Legislative District neighbors

Vicki has been out doorbelling with volunteers in the 17th LD this month and getting great response! She has many new voters supporting her and new yard sign locations.

She shared her priorities but more importantly asked what's important to them. Key issues are taxes, education and the need for a bridge solution to reduce traffic congestion on the commute to Portland. She's ready to go to work in Olympia on these issues!

Signs of Victory are Everywhere!

Steve Cox has been a fantastic Sign Team Lead for the Kraft Campaign! He's been getting up big and small signs all around the 17th Legislative District. Thank you, Steve and the other volunteers helping on this effort!

There are more Kraft Yard Signs at the Clark County Republican Party HQ at 9401 NE Covington Rd., Vancouver, WA 98662. Be sure to stop by and pick one up!
