Subject: FW: Question from Ways & Means Staff

Just thought you would be interested in knowing this. I have explained to Lindsey why we changed the hours.

Steven

Subject: Question from Ways & Means Staff

Steven,

I got a curious question from Katie, our staff person for Ways & Means. Apparently someone's mother in the Ways & Means staff works at one of our field offices. Katie wanted to know if we had changed our hours recently. She said the mother has to work from 8:15 – 5:15 and was upset that headquarters didn't have to change their hours. I had heard something about this, but I didn't want to respond. I don't think this is a question related to a member, but I wanted to run it by you guys before I gave her an answer.
