FROM Minister:

"...Hello my sister, I pray that all is well with you and all your love ones. I have read the motion and see the exhibits and it is so good I can hardly take it. The evidence is so over whelming I don't know how she can over come this filing other than to continue the unlawful acts she has in the past. I am waiting on a reply from my partners now and as far as I am concern we must put this in the mail back to the courts ASAP. We are so thankful for you being the researcher you are and this victory will put you in a category all by yourself. We are so thankful for you not giving up over the years and I and my partners will make sure you are well taken care of upon this victory. Thank you so very much for all the years and tireless hours of research. We love and appreciate you so very much... You continue to be of a good courage and keep the faith...ALL IS WELL!!!"
