---

Tony, I have attached a summary of some of the issues that were brought up at the recent meeting the Lieutenant Governor had with this group. He would appreciate your addressing these issues at your earliest convenience. If you have some time on Thursday afternoon, would it be possible to meet with him then and discuss these?

Marie Waller  
Chief of Staff  
Lieutenant Governor McGill's Office  
(803) 734-2080
