**Subject:** RE: Capital Bond Study Committee Meeting - Monday, November 9th at 1:00 p.m.

Katherine,

I have to drive back up the next day for a BEA meeting at 2:00 so the morning of the 10<sup>th</sup> would be much preferred...especially as that week is sandwiched between two long weekends out of town. But I'm guessing our legislative friends aren't so concerned about my schedule so sure, I can make it work if Dave and Russ can....although I suspect Russ might still be in Lubbock that week.

Thanks for dealing with their big egos and our convoluted schedules,

Chad

We've been notified that 11/4 and 11/5 are not suitable for the majority of the committee members.

As an alternative - Sen. Peeler would like to schedule the Bond Study Committee for Monday, November 9<sup>th</sup> at 1:00 p.m. - room 105 Gressettee.

Please let me know if you are able to attend.

Thank you,  
Katherine

**Subject:** \*Possible Dates to Reschedule the Capital Bond Study Committee Meeting - Please advise.

Chairman Peeler, is seeking availability of our members on Thursday, 11/4 and/or Friday, 11/5 for a possible rescheduling of the Capital Bond Study Committee.

If the meeting were to be held on 11/4, it would need to be a "morning" meeting.

If the meeting were to be held on 11/5, it could be "anytime".

Please reply with which date best works for your schedule.

Thank you,  
Katherine
