Hi Katherine,

Nice to meet you via email. Marie Sanderson at RGPPC sent me your contact, but perhaps we have passed each other at RGA events? We were just in Charleston last month as well. In any case, I would be interested in speaking with you sometime in the next couple of weeks (pending your availability of course), on the Governor's energy policy priorities. Thanks for considering this request and perhaps I will see you around the RGA circuit.

Best,
Brandon
