Mr. John Rainey  
267 Firetower Lane  
Camden, South Carolina 29020

Dear John,

I've been busy with the budget and the closing of the legislative session, but I noticed the article in the paper a few weeks ago on the BEA and the suggestion that the storm was behind us, and that there would therefore likely be no more mid-year level budget cuts.

I won't bore you with a competing pile of economic data, but I'll just leave it with the old saying "It ain't over till the fat lady sings." I respectfully don't believe this economic storm is over just yet. Accordingly, I would continue to hope for a very conservative view toward the economic numbers coming our way.

On a personal level, I hope that you and Anne find yourself in the cool of Colorado sometime soon, and that all is well in the world of horses. Take good care.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Sanford", with a long horizontal flourish extending to the right.

Mark Sanford
