Dear Ms. McCune:

This is in response to your request for a copy of the winning proposal and final contract with Thomson Medstat that was awarded in approximately August 2005. In South Carolina, the "final contract" is the RFP documents and the winning vendor's proposal. Our agency has the RFP, amendments to the RFP, and an unredacted copy of the Thomson Medstat's proposal. Attached please find the RFP documents. I am making efforts to obtain a redacted copy (with proprietary information removed) of Medstat's proposal from our state procurement office. If the cost to prepare the redacted proposal is more than \$100, I'll let you know the estimated cost before proceeding.

Thanks for your request.
