Bettie,

Do you have resumes for the two candidates that we could review in advance? Also, do you have a sense of what time these meetings would be on Friday? I have a few other meetings that I need to set on Friday, and I want to be sure I don't drop them into the same timeslots. Copying Julie in case she has the answers. Thanks.

Bettie Rose,

Yes.

Can they walk down to the Statehouse and Christian Soura and I can spend 15 minutes with them? I could meet them at the door and get them back to you.

Thanks for keeping me in the loop.

Ted

Ted, we're interviewing two candidates for the CHE Executive Director next Friday, February 22, one in the morning and one in the afternoon. Would you have time or interest in meeting either or both?

I'll keep you in the loop as we move forward, but I wanted you to have a chance for input. Just let me know. I hope things are going well for you. Bettie Rose (864-223-1461)
