A list of USA cities that Dempsey and his Chinese sympathizers have planned to blow up with Chinese nuclear weapons on apx. Nov. 1st 2014, (or as soon as possible), if God does not stop them, is as follows: Washington, DC. Because he has promised the Chinese above all else to blow up Washington, DC. on the initial attempt to create international nuclear war between Russia and the USA and its allies.

Other cities and military bases on Dempsey's initial sacrifice attack list include, but are not limited to: Kansas City, MO., New York City, NY., El Paso, TX., (both sides of the boarder), Las Vegas, NV., Calgary, Canada., Philadelphia, PA., and Indianapolis, IN., also Dallas, TX., Atlantic City, NJ., Denver, CO. if they can. Dempsey's list of initial attack cities changes a little, depending on who Dempsey is mad at, but the above list will not change. It has all been planned out and the fraudulent missile tracking evidence has already been made, and the lies have already been typed up, ready to release to the news media, and they do not care who knows what they are really doing, they have decided to go ahead and do it anyway, as soon as they can. Along with several USA military bases on the initial attack. Ask God, probably all that they can. Smell the roses.

Also within a week or two after the initial attack (if not already blown up), are cities like Colorado Springs, Trinidad, Salt Lake City, Los Angeles, San Antonio, Houston, San Diego, Fresno, Sacramento, Monterey, Atlanta, Des Moines, Shreveport, Lincoln, and every other major city in the United States and Canada. Montreal Canada, about two days after the initial attack. Toronto Canada, about a week after the initial attack, and all of the other cities will continue to be blown up until the Chinese nuclear weapons are all found and disarmed for good. Also all USA military bases will be blown up or turned over to the Chinese as per Obama's treason contract with the Chinese. No other nation in the world is going to murder its own population for the Chinese or for anyone, like the USA is doing. It is nothing but treason and cold blooded murder.

Do you think that the USA joint chief staff does not know where all of these Chinese nuclear weapons that are already on USA soil are at? They know where every last one of them is at, they are just committing treason and guarding them for the Chinese. Europe and Russia are tearing out the Chinese nuclear weapons on their soil, the Chinese are not attacking them. The best way to prolong our time before the start of the war would be to arrest Obama and his staff, and follow the international lead and tear out all Chinese weapons. Trust God, Obama is lying to everyone, we do not need to murder our own military and population, it is counterproductive. We need to stand up and defend ourselves. Look at the evidence, Obama's backward logic to murder ourselves for the Chinese is insane. Is the whole joint chief staff strung out beyond common sense? "Obama is more insane than Hitler"--- an honest mental evaluation.

Isn't there someone out there that is willing to do their duty for God and our country, instead of for the traitors and Chinese money? It is incompetent, it is negligent, it is inhumane. Internationally, Obama is guilty of conspiracy to commit mass murder of the USA population and our allies, and to instigate an international nuclear war against Russia for the Chinese. They are planning to genocide all races of humans except for the Chinese. The USA cities water poisoning will probably start again this week.

What is the punishment for treason? What are the odds that Obama will take care of his own punishment if we arrest him? He is already threatening to do it. So is Dempsey. What military department is responsible for bringing charges against traitors, and murderers? Do we have to wait until the USA is half annihilated?

APX. OCT. 15, 2014

Please forward this to your defense ministry, as soon as possible.

In the 80's the Chinese started bribing private land owners in Europe, and in the USA and in Russia etc. For the purpose to put intercontinental nuclear missiles in farms, and in barns, and in warehouses, etc. For the purpose to start a nuclear war between all non-Chinese nations.

At least fifteen Chinese intercontinental missile locations are hidden, in Europe along Russia's boarder. Europe is in need to find and remove these farms before the Chinese use those missiles on Russia. Because Russia will have no choice but to retaliate on Europe. Pull out all stops, look at anything questionable. Do not be fools, tear them out. You need to tear them out or you will end up being at war with both Russia and China.

Russia is doing all that it can to find all of the Chinese missiles hidden in their nation, and they are tearing them out.

The USA has at least five locations and they are aware of them. The USA needs to arrest Obama and his Chinese sympathizers to be able to tear out the Chinese missiles on USA soil. If they do not arrest them the USA will face the consequences their selves.

Whichever nation the Chinese nuclear missiles are fired from, is the nation which is responsible to tear those Chinese nuclear missiles out, before the Chinese use them.

Thus far God has stopped the Chinese, and not allowed the Chinese to start the nuclear war, God said: come mid-December 2014 that will change, Gods supply of infant spirits to place into human bodies is running out. It takes thousands and thousands of years to raise up an infant spirit which has independent existence, to be large enough to be placed into a human body.

One more time: The European Nations need to remove all of those Chinese nuclear missiles and weapons, NOW, or face the consequences.

All Nations' Intelligence Dept. are aware of China's current over readiness.

Obama and his joint chief staff are stabbing all of their allies in the back for the Chinese. You need to be aware of this, in case the war starts before they are arrested. Their back stabbing will not stop. Obama and his Chinese sympathizers are in bed with the Chinese.

Obama and his joint chief staff via the USA Secret Service and CIA and the other Chinese sympathizers, are willing to murder their own military and civilians for the Chinese, how much less do they care about their national allies?

The Obama administration has paid all of its USA Chinese sympathizers off, to keep the knowledge of all of the Chinese nuclear weapons very quiet. We need to try to Inform everyone, of what we need to become prepared for, while we still can.

The apx. locations of some of the Chinese intercontinental nuclear missiles in the USA are: (as was posted on web sites throughout 2010-2012): Albuquerque, NM., below Eugene, OR., Birmingham, AL., one just below the great lakes in Minnesota, and Cuba has about thirty. There are some in Canada, and also some in Mexico. Along with the in house nuclear weapons and the nuclear weapons on trucks in all nations. What are we supposed to do? Just wait until they decide to kill us all? That is the best plan that Obama can come up with. He plans to just leave everyone totally uninformed and unprepared. How incompetent is that?

COWARDICE AND GOVERNMENT CORRUPTION BEYOND HISTORICAL BIBLICAL PERPORTIONS

There are many variables in a war; No one can predict the outcome, for sure. How could Obama just surrender the USA to the Chinese and condemn us all to death without any real military effort? They lie. A war would be the end of his political career is how. Obama figured out a way to prolong his Presidency, all of our lives, and all of our freedoms are worth nothing to him. What kind of lies is Obama going to spit out to explain these murders of the USA military personnel?

As far as the guiltiest person involved in the murders of the USA military personnel, it is Dempsey, he breaks every law on the books to accomplish Obama's cowardly Chinese treason contracts, but Obama is backing him, and all of the lies that they dream up, they are not above the law, murder is murder. If we do not arrest Obama and his Chinese sympathizers, we will be shot in the back by them, on the initial attack.

Keeping the Chinese situation out of the news for the last six years is going to cost more lives than we can count and more pain and human suffering than we can measure due to the unpreparedness of the USA population. The Obama administration knows it is going to happen, and they know that they are criminally negligent, but they plan on leaving the country when it starts so that no one will ever be able to prosecute them.

You need to talk to God about this personally. (If something does not seem quite correct, ask God). You need to hear it straight from God what we need to get prepared for. **God is going to make this happen.** You can count the months. There is no way out, you need to get prepared. The Chinese do not plan to leave any of us alive, and we mean any.

The USA Secret Service and CIA have become the laughing stock of the world. They have not only allowed the enemy to cut off their balls, they started killing our own military for them. There is probably no way ever, that any military anywhere, could top the cowardice of Obama and his joint chief staff.

Just when you think that Obama and his joint chief staff have reached the pinnacle of cowardice, we find out that they are all prepared to do something even more cowardly.

The only thing that could possibly top the cowardice that they have already displayed is the cowardice that they have already planned. Obama and his joint chief staff are planning on blowing up the USA cities and military bases, and their allies military bases, themselves, using Chinese built nuclear bombs, and then they plan to produce, already made, fraudulent missile tracking evidence to the world to lie and state that Russia did it, thus starting an international nuclear war between all of the non-Chinese nations worldwide, for sheer cowardice of the Chinese.

THE LIES THAT THE COWARDS DREMP UP

It has come to our attention that many of the USA Secret Service and CIA personnel resent the fact that they were ordered to be made sterile/barren, almost as much as they resent the fact that they are being ordered to murder USA military personnel and civilians, They would rather save their bullets for the foreign enemies like the Chinese and their conspirators.

They would rather save their bullets for those who plan to murder our children that they will now never have. The surviving USA population will never turn into cowards and line up like cattle to be made sterile/barren, like the Secret Service and the CIA have.

The excuses that Obama and his joint chief staff are using to murder our military personnel are not even logical, not even one single nation in the whole world would have citizens so cowardly that the survivors would submit to mass sterile/barren operations like Obama has planned for the surviving USA citizens. What kind of lies is he feeding, and to who, to think that fewer Americans will die if we sacrifice our own military ourselves? What kind of drugs do they feed the Secret Service and the CIA? Also, how much did they pay them?

The Chinese do not plan to leave any of us alive, Obama and his joint chief staff know that, and only the fools amongst them actually still think that they will be left alive, when the Chinese are finished murdering the rest of the USA citizens. The more that they play along with their lies, the more of them will be dead. The longer that the press hides this from the public the less prepared we will all be, and the more lives will be lost.

These things may involve national security, In a way, but to hide these things from the public is criminally negligent and the Obama administration is criminally liable. They are lying when they state any real national security reason for hiding these things from the public, except to hide their cowardly treason, and murders. What is more important, the USA populations lives, or Obama's lies about a possible economic impact.

We the people have a right to challenge their press gag reasons in court. Who gave anyone dictatorial powers of gagging our free press, to hide their criminal activities, all of the press gags should be thrown out as coming from an illegal source, for illegal reasons. Ask God for yourself.

"A large number of USA Secret Service have literally been castrated just so that Obama, (almost the largest coward on the face of the planet today), could remain President." Quote, unquote, God. They have all been lied to by the cowards at the top.

God does not call Obama and his joint chief staffs, military plan, a gamblers maneuver. God calls it treason.

When Obama was confronted with the threat of war against us by the Chinese, God asked Obama, quote: "Are you going to defend yourself?" unquote. Obama never did answer, and he did not request of God, his advice. He turned his back, and make his own plans. And God calls his plans treason, murder, voter fraud, etc.

To help you to understand, the importance and the reason, that God requires us to pray three prayers in a row:

First: The chances that our heavenly parents are currently first time spirit parents is apx. Three billion five hundred thousand to one. When all of us infant children grow up we will eventually have our own first family group of spirits on a planet like unto this planet Earth. Accordingly, there will be apx. Three billion five hundred thousand new first time spirit parents, to one, our heavenly parents second time of being a spirit parent.

Second: There are three times, in a spirits existence, that growing spirits have a large spurt in growth, in their spirit: 1- Our first lifetime in the flesh. 2- The judgment lifetime (this one), in which lifetime our heavenly parents are forcing us to pay attention to them. And 3- The first time that the spirit has spiritual children of their own, on a planet like our heavenly parents are now.

Third: We being our heavenly parents' first group of infant spirits in the flesh, God is very stressed, in keeping up with all of us. So to help lighten their load, God will only respond personally to those who want help enough to pray at least three prayers in a row.

We do not need to be concerned; God has at least five billion holy ghosts, helping them watch over us. With instructions along this line: If we do not pray at all- let us die. If we pray only once or twice- let our troubles be stacked against us accordingly. But if we pray three prayers in a row, God will be notified and a response will be returned.
