301 Abuser-Priests in Pennsylvania

Pennsylvania Attorney General Josh Shapiro yesterday discussed the findings of a just-released state grand jury investigation of alleged child sexual abuse by 301 predator priests and clergy in six Catholic dioceses, including Pittsburgh and Greensburg.

?The investigation into widespread sexual abuse of children within the Catholic Church and the systematic cover up by senior church officials in Pennsylvania and at the Vatican.

?Moments ago, an 884-page report, issued unanimously by the 40th statewide investigative grand jury -- the largest, most comprehensive report into child sexual abuse within the Catholic Church ever produced in the United States -- was released.

?It builds on The Boston Globe?s Spotlight report which identified 229 abuser-priests.?
