**Subject:** A Voice for Reform

Dear Friend,

This Tuesday, voters across South Carolina will go to the polls for the June 12th primary election. While there are many important races throughout the state, few will have consequences like Spartanburg County's Senate District 12.

Senator Lee Bright has been a voice for reform in the State Senate - and I am writing to you today because we need to send him back to Columbia. Senator Bright has fought for less government at every turn and his conservative leadership in the legislature is needed now more than ever before.

I hope you will **join me tomorrow, Monday, June 11** as I campaign with Senator Bright at his campaign headquarters at **3 PM** - located at **3293 Reidville Road in Spartanburg**.

Please support Senator Bright on Tuesday and help us send a true conservative back to Columbia!

My very best,

Nikki
