Attached is the run of show for the chamber's State of the Region luncheon. We expect appx. 650 attendees.

Bill will also be thanking JetBlue for being present at state and give them a few minutes to speak. The representative from JetBlue will be seated at the presenting sponsor's table-the Savannah/Hilton Head International Airport. Governor Haley and staffer will be seated at the head table with Bill, our board chairman. Others at the table are still being determined, but I will let you know who is at that table as soon as all is confirmed.

JetBlue will begin flights to the Savannah/Hilton Head on January 13, 2014. Daily non-stops from NY's JFK and from Boston's Logan Airport. If there is additional information you need about JetBlue, just let me know.

I will be the contact for the point person for Gov. Haley. Katherine, I know you mentioned that you will be staffing her that morning. We have arranged a hotel room for the governor's use and I know security usually comes in ahead of time. Please feel free to put them in touch with me via cell/text and I will give them any details they need on placement, etc. I will have the hotel room keys for you and those you designate.

There is a VIP reception prior to the event in ballroom "A" that the Governor has attended in the past and we would love to have her join us briefly again this year. It begins at 11:15 and will wrap up by 11:45. The crowd will be made up of our chamber champion donors, sponsors and elected officials.

Regards,

Charlie
