- 3) All records of state vehicles (car or plane) leaving the state of South Carolina with or for Governor Nikki Haley;
- 4) All records of scheduled or requested out-of-state travel for Governor Nikki Haley;

"Records" means the broadest application of the word, including all papers, copies, emails, text messages, books, photographs, cards, recordings, or other documentary materials regardless of physical or electronic form or characteristics whether sent or received or in draft form. This includes records of any kind or nature attached, forwarded, copied, or otherwise included with the requested record such as, but not limited to, word processor files, Excel spreadsheets, PowerPoint presentations, PDF files, text files, photos, or any other electronic or digital file type.

If you believe a record under this request is exempt from disclosure, please identify generally the exempt information and specifically identify the exemption you are relying on. Also, I prefer to receive electronic records if they are available in this form. Hopefully this is more convenient for you and your staff.

Sincerely,
