Subject: RE: Amendment

Katherine has left you some messages about the amendment and our meeting this morning with other Senators who are supportive of this amendment.

She will look for you now to tell you what we discussed.

Subject: Amendment

The amendment we discussed yesterday afternoon is attached. It is consistent with the Senate Judiciary Committee amendment in that it puts IT Division, IT Procurement Office, State Engineer's Office (responsible for all construction procurement), and SCEIS in the Dept of Administration.

Let me know if you want me to get Ken to prepare it.
