Swati –

Do you see any problem if I attend this as a roundtable leader on behalf of the Chamber? I am happy to help Ted if this is appropriate.

Dear Richele,

The South Carolina Chamber of Commerce will be hosting the 3<sup>rd</sup> annual [LeadSC Young Professional Summit](#) this month in Columbia. The goal of the LeadSC Young Professionals Summit is to educate and empower tomorrow's business leaders and the Chamber would be honored to have you join us as a roundtable leader for the Executive Luncheon on Thursday, September 22, 2016 at the Marriott Hotel (1200 Hampton Street, Columbia, SC 29201). Your participation will contribute to the overall goal of the LeadSC Young Professionals Summit, which is to educate and empower tomorrow's business leaders.

Comments from 2015 conference participants:

*My favorite part of this event was the executive lunch. Getting the opportunity to network and speak not only with young professionals in the community but also executives was extremely valuable. The lunch was well coordinated and extremely interesting.*

*The CEO Luncheon was highly informative and gave an opportunity to speak candidly with the head of a major organization. It allows you to ask "What did you do and what should I be doing to further my career".*

To assist in preparations for this event, please confirm your participation by *Monday September 19th*.
