Dear Admissions Officer:

Please accept this as my enthusiastic and unconditional recommendation of Mr. Kelsey Farnham for admission to the Moore School of Business. Mr. Farnham is an extremely thoughtful, talented, and disciplined. Kelsey worked in my Senate office for ?? years, and I completely trusted her with all aspects of our operation including policy research, constituent service and communications with other senators and government officials.

Kelsey exhibited many traits that I know will serve her well both in the Moore School program and later in the business world. She was punctual and never hesitant to put in extra time. She was thorough and never afraid to ask questions for more information. She was personable and treated everyone with respect. Kelsey could not have been a better ambassador for our office, and we benefited greatly from her presence and work.

I appreciate the Moore School of Business giving Kelsey its full consideration, and I look forward to her enrollment at the University of South Carolina. I am confident in Kelsey Farnham's ability to excel in your program, and please do not hesitate to contact me if I may be of further assistance.

With warmest personal regards, I remain

Catherine, attached is the draft for the Kelsey Farnham draft for the Moore School of Business. I was unclear as to the extent of the relationship between the Lt.Gov and Mr. Farnham.

Please amend as you deem necessary. Thanks.
