**Jazz Richards Christiansen** Kaylin Richards...doesnt this sound fun?!

at 3:29:48 on 8/25/2016 UTC

**Kaylin Richards** Wow that really does sound so festive!!

**Scott Woolum** Leaving the lights on is kind of a drag isn't it? Why no tents or hammocks?

at 12:45:08 on 8/25/2016 UTC

**Deanna Anderson** It's on a pier, limited space and no where to this a hammock or stake a tent.

at 18:53:06 on 9/09/2016 UTC

**Deanna Anderson** Signed up today! My co-workers and family think I'm crazy, I think it sounds fun!

at 18:53:57 on 9/09/2016 UTC

**Scott Woolum** They are controlling the limited space by the ticket sales. Plenty of great places for a hammock and tents don't have to be staked down. Too many lights too many rules.
