Dear Governor Haley,

My name is **Milliyon Huff** and I am a fifth grade student at The Ontario Center School in Ontario, CA. My teacher, Mr. Lassiter, has assigned a state project for me to complete. I have chosen to learn about **South Carolina**.

In the project, I have to learn a lot about your state. I have to learn the state motto, capital, nicknames, and important people. I have to do a presentation in class to describe places of interest and even come up with 10 interesting facts about **South Carolina**. I have just begun my research and am looking forward to learning all I can about **South Carolina**.

One of the assignments that my teacher has given me is to write to you to ask for your *favorite dessert recipe*. We will be holding a "Taste of the State's" night at my school and I am required to make a dessert to be shared with the other students in my class while I present my information about **South Carolina**.

If you have the time, could you *please send me your favorite dessert recipe*? You could also send me any information you can about your state to further my research.

Thank you for your time and consideration. I am sure you are a very busy person.

Sincerely,

  
**Milliyon Huff**
