Just getting back from an appointment.

Is there a specific reason why she doesn't believe a multi-day system is best for our democracy?

Gavin let me know when you get this.

Quote from Haley press secretary Chaney Adams, "Governor Haley wants every eligible voter to vote, and she supports efforts to get everyone a proper ID to do so. She is not convinced that adopting a multi-day voting system is best for our democracy, beyond the system already in place to accommodate absentee voting."
