Adam Wade I get mad watching them acting like this is a game. They closed parks paid for by us. In uniform, acting like being tyrants is honorable. They should be ashamed, arrested and put in prison. Everyone of them. A shame for South Carolina. Our founders would be in arms. A disgrace to our history. An insult to our state. We fought nations for doing less. You do not own the land, you have disgraced the Constitution. You enforce laws that violate divine rights. Hell is the only destination for those who violate their oaths.

Maria DuVall We had a wonderful time. We were in spot 67 and was able to walk down to the water to fish. Everything was super clean. They did a lot of work while they were closed.

There was a lot of leaves around the sites since they haven't been used but we carry a small blower so it wasn't an issue. Have fun!
