Hello Tony,

We invite you to attend the **10th Annual Risk Adjustment Forum** scheduled for **May 22-23rd in San Diego, California**. Unlike any other event, this forum is designed to help your plan meet all of their risk adjustment challenges and maintain financial stability in a competitive landscape. Our expert faculty will discuss every aspect of risk adjustment as it pertains to Medicare Advantage, Medicaid, Commercial Plans, and all provider groups. Plus attend one of the pre-conference workshops for an intensive learning experience in **RADV** or **Prospective Assessment**.

### FORUM HIGHLIGHTS INCLUDE:

- Clear the murky waters of repeal or replace – where do things stand now?
- Comply with risk adjustment rules, regulations, and documentation
- Get the actual RADV experience and lessons learned from those who survived it
- Find out how to enhance your accrual process
- Collect, measure, interpret, and implement your data analytic results
- Receive tactical steps to ensure a smooth transition from RAPS to EDS
- Interpret the results of the RAPS-EDS data collaboration and how it will impact your current practices
- Walk away with industry best practices for quality and risk adjustment
- Absorb practical plan-provider collaboration tips and significantly enhance your provider coding results
- Hear the latest on IVA results and the valuable lessons learned
- Enhance your Medicaid risk adjustment practices
